

The American Institute of Architects Continuing Education System

AIA/CES Registered Provider Program Summary

Provider: The Garland Company, Inc.	Length: 1 hour
Program #: 053 GR	Credits: 1 AIA/CES Learning Unit
Program: Green Roof Systems	HSW Credit: Yes

SUSTAINABLE DESIGN

Course Description: This presentation provides an overview of “green” or vegetative roof systems, the benefits of green roof systems, and the differences between intensive and extensive systems. It will also include overviews of system components as well as their purpose and the steps involved in a green roof project.

How Taught: A Powerpoint or slide presentation with group exercises and discussion. Planned Q&A throughout presentation.

A/V Requirements: Electrical outlets and a screen for the Powerpoint or slide presentation. In some cases a projector is also required. For group settings, one on one presentations can be viewed on laptop.

Who Should Attend: Architects, specifiers, design professionals and, building owners in the commercial/industrial building market.

Cost: There is no cost to bring this program into your firm or chapter.

For more information: Contact you local Garland Representative.
