

The American Institute of Architects Continuing Education System

AIA/CES Registered Provider Program Summary

Provider: The Garland Company, Inc.	Length: 1 hour
Program #: 004 RSO	Credits: 1 AIA/CES Learning Unit
Program: Roof Systems Overview	HSW Credit: Yes

Course Description: Participants will obtain general roofing knowledge about the advantages/disadvantages of various types of commercial roofing systems: built-up, modified bitumen, metal, single ply, and fluid-applied roof systems. The presentation also illustrates the construction methods of each system.

How Taught: A Powerpoint or slide presentation with group exercises and discussion. Planned Q&A throughout presentation.

A/V Requirements: Electrical outlets and a screen for the Powerpoint or slide presentation. In some cases a projector is also required. For group settings, one on one presentations can be viewed on laptop.

Who Should Attend: Architects, specifiers, design professionals and, building owners in the commercial/industrial building market.

Cost: There is no cost to bring this program into your firm or chapter.

For more information: Contact you local Garland Representative.
