

Garland's LEED & The American Institute of Architects Continuing Education Accredited Presentations

GBCI CE & AIA/CES Registered Provider Program Summary

Provider: The Garland Company, Inc. **Length:** 1 hour
Program #: 0090004858 **Credits:** 1 GBCI CE Learning Unit
1 AIA/CES Learning Unit
Program: Vegetative Roof Systems **HSW/SD Credit:** Yes (AIA)

Course Description: An introduction to “green” or vegetative roof systems.

Learning Objectives: Participants will gain an understanding of the benefits of green roof systems and the differences between intensive and extensive systems. They will become knowledgeable of the system components as well as their purpose and have a better understanding of what steps are involved in a green roof project.

How Taught: A Powerpoint or slide presentation with group exercises and discussion. Planned Q&A throughout presentation.

A/V Requirements: Electrical outlets and a screen for the Powerpoint or slide presentation. In some cases a projector is also required. For group settings, one on one presentations can be viewed on laptop.

Who Should Attend: Architects, specifiers, design professionals and, building owners in the commercial/industrial building market.

Cost: There is no cost to bring this program into your firm or chapter.

For more information: Contact you local Garland Representative.
